

## A Choose-Your-Own Adventure Fit for a Neutral Good Deep Gnome

*Created by Books of Bokoron in honor of the upcoming release of the song, "Random Encounter Tables".*

By the time the third orc sees what's happened, you've already rearranged the faces of the other two with one mighty leaping blow. He reaches for his knife but you land gracefully and smite his kneecap, knocking him to the ground with a howl, before he can put a hand on it. He never gets the chance to sound an alarm before you finish him.
